To The Honorable  
The Committee on Finance  
and Personnel  
Common Council  
City of Milwaukee

Dear Committee Members:

Re: Common Council File #131379

File # 131379 amends Chapter 350-152.5 of the Milwaukee Code of Ordinances by re-establishing compensation and administration language regarding cardiopulmonary resuscitation (CPR) payments to the position of Assistant Chief, Fire in the Fire Department. This is not a new payment, but the language was inadvertently removed from the ordinance when file #121739 was approved in 2013 eliminating this payment to the positions of Battalion Chief and Deputy Chief.

There will be no new fiscal impact resulting from restoring this language to the Milwaukee Code of Ordinances.

Copies of the ordinance change and a fiscal note are attached. It is recommended that the attached ordinance change be approved.

Sincerely,

Nicole M. Fleck  
Labor Relations Officer
