Dear City Clerk:

On Thursday, Jan 5, 2017 at approximately 1:35 in the afternoon, I was driving North on Lake Dr., made a right hand Turn (East) onto E. Bradford Ave., there was a car driving West on Bradford Ave. and I ran over a very long pile of snow / ice that was $\frac{3}{4}$ of the way into the street in front of 2705 E. Bradford Ave and did a lot of damage to my 2016 Kia Optima. (I have pictures of the snow / ice from different angles) From the looks of things, more than my car has run over this and had damage to their vehicle as there were other parts of cars besides mine.

I immediately called the City and asked to make a complaint that this had not been cleaned up. The woman asked for my address and said she would mail the information, which I received.

I have enclosed a copy of the estimate from my insurance adjuster. My car had to be towed and is currently at the repair shop.

My Address is:
2115 W. Layton Ave., Milwaukee, WI 5322
Best contact number is (414) 305-2335
Email address is: plep61@icloud.com or pal3@ntrs.com

The limit of your coverage is the actual cash value of your auto or its damaged parts at the time of loss. Fair market value, age and condition of your damaged vehicle will be considered when determining the actual cash value of a loss. Certain parts lose value or depreciate because of age, condition, and/or wear and tear. Betterment is the increase in value of a vehicle or any of its parts as a result of replacing certain parts damaged in a loss. If the replacement of certain parts results in an increase in value to your vehicle or any of its parts, a deduction for betterment may be made to your loss payment to reflect the actual cash value you are owed under your policy.
