To the Honorable Common Council
Public Improvements Committee
City of Milwaukee

Dear Committee Members:

Attached is File No. 021182, being a resolution approving the plat of right-of-way required for the improvement of North Teutonia Avenue between West Ruby Avenue and West Villard Avenue to be undertaken with Federal/State funds under the Surface Transportation Program (STP).

The resolution approves a revised plat of right-of-way for the above referenced road improvements. The original plat of right-of-way included widening this portion of North Teutonia Avenue to its full 90-foot width. The revision, reduces the width at two locations north of West Stark Avenue to prevent the acquisition and demolition of two homes

Accordingly, the City Plan Commission at its regular meeting on May 19, 2003 recommended approval of the attached resolution.

Sincerely,

Julie A. Penman
Executive Secretary
City Plan Commission of Milwaukee
