TEXT OF AMENDMENT

Mr. President:

With respect to Common Council File Number 170559, I move to refer the file back to committee.

Background:

The file adopts the Menomonee River Conditional Letter of Map Revision (CLOMR). The CLOMR is a prelude to a future update of the floodplain boundaries along the Menomonee River. FEMA approved the CLOMR in 2016 and adoption by the City is required by FEMA. The Department of Public Works requests to refer this file back to committee to allow for consultation with key stakeholders prior to proceeding again with this file.
