OFFICE OF CITY CLERK

The morning of Tuesday March 02, 2022
between 550 am and 558 am coming down
Fond du lac Ave, in front of 2617 W Fond du lac Ave
was an big pothole filled with water. My
car hit the pothole causing the front right
tire and rim being damage. I got out
to check to see if there was any other
damage. Grab a three tier size that
was left behind, put it up so no other
cars would get damage by this pothole.
I called the City told them what happen
I was advise by them to call dept of
water works so they can come out to
repair the damage. I took the car to
the dealer to get an estimate. The paper
work of the estimate is with this card
the card of the Service advisor.
I did take pictures of the pothole and
the damage tire / rim. Suzette Washington
