Meeting: COMMON COUNCIL on 2020-10-06 6:30 PM - JOINT PUBLIC HEARING This is a virtual meeting. Those wishing to view it should go to <http://city.milwaukee.gov/citychannel> or Channel 25 on Spectrum Cable.

Item: 200750 Communication relating to public comments on the Mayor's Proposed Executive Budget for 2021 (Joint Public Hearing).

eComment: Over 45% of city funds would go towards the police dept, only 2% is proposed to be spent on public health. Decades of overfunding police & prisons has resulted in the disproportionate mass criminalization & incarceration of Black & Latinx people. True public safety comes when a community has resources to meet basic needs such as access to mental & physical health resources, education, affordable housing, job training, & response teams skilled in trauma-informed care, de-escalation, & cultural sensitivity. Investment in policing takes away from REAL community needs -Sebas of Browns Crew
