

September 21, 2005

Mr. James Owczarski  
Common Council Administration Manager  
City Clerk's Office  
City Hall, Room 205

Dear Mr. Owczarski:

The Health Department is submitting the following grant resolutions for Common Council approval:

Childhood Immunization Disparities Grant - This new grant funded by the Centers for Disease Control will develop activities and interventions for reducing immunization disparities and increasing immunization rates.

Bioterrorism - Focus C Grant - Funded by the Centers for Disease Control through the State of Wisconsin Laboratory of Hygiene, this funding supports the Health Department's laboratory capacity and interagency communication for the rapid and accurate identification of microbiologic agents that may be involved in a terrorist attack.

Asthma Care Coordination Grant - This continuing grant, funded by the Children's Health System, will support care coordination and case management for children who are diagnosed with persistent and uncontrolled asthma.

2005 Consolidated Contract - This resolution amends Common Council File 041489 relative to the application, acceptance and funding of the 2005 Consolidated contract. An additional \$56,667 will be received for Bioterrorism. The additional funding allows for additional positions.

All appropriate paperwork is attached. Thank you for your consideration.

Sincerely,

Yvette Rowe  
Business Operations Manager- Health
