OLD GRANITE PAVING BRICKS/PAVING STONES -- PURCHASING RULES (Form 1)

General information on the purchase of granite bricks from Department of Public Works Field Headquarters

1. a) **Must be a resident of the City of Milwaukee**
 - b) Make two copies of this form – one to submit, and the other for you to keep.
 - c) Fill in and sign the bottom of this form – Form 1.
 - d) Also make a copy of and sign Release of Liability - Form 2.
 - e) Mail in the completed Form 1 and Form 2 and a copy of your driver's license to:

City of Milwaukee - Department of Public Works, 841 North Broadway, Room 710, Milwaukee WI 53222; Attention: PAVING BRICKS. These forms must be postmarked by July 3, 2009 to be considered eligible for the July 11, 2009 sale of paving bricks. (Forms dropped off in person will not be handled faster.)

2. We will PHONE you and give you a three (3) hour appointment on July 11, 2009 for your opportunity to salvage these bricks (rain or shine) at the City of Milwaukee Public Works Field Headquarters located at 3850 North 35th Street. During your three hours, you may take multiple loads if you wish, but only within the same three hour appointment. The possibility of a second appointment AT A LATER DATE will be subject to demand.

3. Check in with the yard attendant when you arrive. You must bring along and show your driver's license – the same one that was submitted with the original Forms -- for identification. Also any additional driver or helper must also bring along some form of identification.

4. Cost for these Granite Paving Bricks/Paving Blocks are \$1.00 each, regardless of size, color and shape. A check made out to City of Milwaukee is required at the time of pick up. **No credit cards can be accepted.**

5. You must consider the weight of these bricks before loading and hauling. The bricks available for purchase weigh between 15 and 35 pounds each, so for example, 30 of the large granite bricks would weigh about 1,000 pounds. **NO LOADING ASSISTANCE WILL BE AVAILABLE** – you must do all of the selecting and loading (also see Form 2, Release of Liability).

6. The purchaser must consider the weight of the load and waive any consequences to the car, truck or trailer, including suspension overloaded, brakes overload, change of handling characteristics, or any other damage to the vehicle (also see Form 2, Release of Liability).

7. If there is any disruptive behavior or activity which is unsafe or outside of our policy and guidelines, you will be asked to stop your salvage work, pay for what bricks you have in your possession and leave the property.
