CITY OF MILWAUKEE  
2017 JAN 31 P 01  
CITY CLERK'S OFFICE

To whom it may concern,

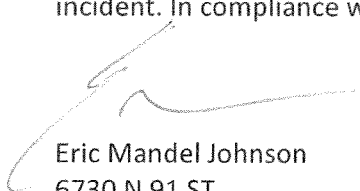

My name is Eric Mandel Johnson. I reside at 6730 N 91<sup>st</sup> ST Milwaukee 53224. I have been a resident of the City since 1982. I own several businesses and 100% of my employees live in Milwaukee. I own my home, several residential properties and one commercial property in Milwaukee. I pay a significant amount of taxes that fund the operations of the City. I think it fair to assume that the City would not cause me any harm. And, at the very least, reasonably compensate for any damage that it causes.

On January 25, 2017 at approximately 715pm, a pothole damaged my car. I was northbound on 91<sup>st</sup> ST just north of Mill RD. I was in the left lane and then moved to the right lane because of the construction barricade. As you will notice from the photos, the pothole that damaged my car is adjacent to the construction barricade where City employees have come to work for over a week. I believe several weeks. The damage to my car was significant.

The damage to my car was as follows:

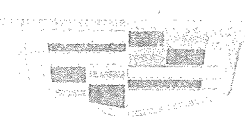

1. \$307.96 for a tire
2. \$104.95 for an alignment
3. \$742.28 for a wheel (must be ordered)
4. \$ 25.36 for supplies, materials and taxes
5. \$325.00 for my time (\$50/hr. X 6.5hrs)

The City owes me \$1,505.55 for the damage that the pothole caused. The City had adequate notice of the pothole because its employees were working adjacent to the pothole for over a week. In addition, an employee of the City named Edward Roundtree told me that he had reported the condition of the road to his supervisor over a week before this unfortunate incident. In compliance with Wis. Stats Section 893.80(1) I submit the above information.
