

Milwaukee County

Sept. 29, 2005

TO City of Milwaukee.

I Daphne Jackson, do wish to file an appeal against The City of Milwaukee: for which an untrimmed tree fell on top of my car on 6-26-05. Due to the tree being too top heavy and had not yet been groomed. This was determined by myself, and several other witnesses including the officers involved in the investigation. It was allegations by the city that this was due to winds and not default of the city. This day was a hot, summer day, and there were NO strong winds, just too many branches for one tree to hold. Again, I'm ask for the estimated damages that was Presented To you

Thank you  
Daphne Jackson
