Re: Common Council File Number 150241

Dear Ald. Bohl:

Common Council file number 150241 relates to the proposed 9th Amendment to the General Planned Development (GPD) known as Metro Center to allow additional uses on the vacant site at 10851 West Metro Auto Mall. This file was scheduled as a public hearing at the July 13, 2015 City Plan Commission meeting. However, the applicant, WP Property Acquisitions LLC, requested that the City Plan Commission hold this file, which it did. Accordingly, the City Plan Commission requests that no action is taken on this file at the July 16, 2015 Zoning, Neighborhoods and Development Committee meeting. Should the applicant request that this file is scheduled in the future, the City Plan Commission will hold a new public hearing and request scheduling before the Zoning, Neighborhoods and Development Committee.

Sincerely,

Vanessa Koster
Planning Manager
