

Certificate of Appropriateness

Milwaukee Historic Preservation Commission/200 E. Wells Street/Milwaukee, WI 53202/phone 414-286-5712/fax 414-286-3004

Property	2525 N. Sherman Boulevard	Washington High School, Sherman Boulevard HD
Description of work	Install insect screens at the operable portion of the first, second and third floor exterior windows. These insect screens are to be secured into the window frame. The aluminum frame insect screen basis of design product is Tapco with a custom forest green frame finish to match the existing windows and an anodized screen finish. The described insect screens are permitted on all windows, although only the Sherman Boulevard façade is illustrated. The ground floor will be reviewed separately for a different type of screen.	
Date issued	12/20/2022	PTS ID N/A

In accordance with the provisions of Section 320-21 (11) and (12) of the Milwaukee Code of Ordinances, the Milwaukee Historic Preservation Commission has issued a certificate of appropriateness for the work listed above. The work was found to be consistent with preservation guidelines. The following conditions apply to this certificate of appropriateness: N/A

All work must be done in a craftsman-like manner, and must be completed within one year of the date this certificate was issued. Staff must approve any changes or additions to this certificate before work begins. Work that is not completed in accordance with this certificate may be subject to correction orders or citations. If you require technical assistance, please contact hpc@milwaukee.gov.

If permits are required, you are responsible for obtaining them from the Milwaukee Development Center. If you have questions about permit requirements, please consult the Development Center's web site, www.milwaukee.gov/lms, or call (414) 286-8210.
