To whom it may concern,

I hope this letter finds you well. My name is Pauline Bullocks, and I'm a resident of Milwaukee, County. I am reaching out to you regarding an incident that occurred recently.

On January 13th, 2024, a tree fell on my roof, causing damage to both the gutter and shingles. On that day winds were up to 24 mph causing the tree that was planted in the city's tree bed to fall over. I'm concerned about the repairs that need to be made.

The tree is located on public property (on the south east corner of 85th street) and I would like to bring this to your attention as I believe the city should be responsible and or liable for the damages. I've attached some photos of the incident for your reference.

I kindly request that the city take responsibility for the damages and covers the repair costs. It would be a huge relief for me if this matter could be resolved as soon as possible.

Thank you so much for your attention to this issue. If you need any further information or would like to discuss this further, please feel free to reach out to me at (414)467-1873.

Sincerely,  
Pauline Bullocks
