Common Council file 010937 is a resolution from the Milwaukee Public Library that amends the bibliographic database agreement between the City of Milwaukee and the Milwaukee County Federated Library System (MCFLS). This is an extension of the existing agreement for the Milwaukee Public Library to act as a resource library for the Milwaukee County Federated Library System.

This agreement specifically covers the provision of machine-readable cataloging services for the members of MCFLS. The continued database services agreement will extend from 2002 through 2004. The fiscal impact of this agreement is a revenue of \$388,145 in 2002, an amount which is renegotiated annually.

**RECOMMENDATION: APPROVE COMMON COUNCIL FILE 010937
