Item: 1. 241791 Motion directing the City Clerk to expend from the resources reserved from the Council-Led Transfer Fund.

eComment: I am writing to express my strong support for Hanan Refugee Relief Group in their efforts to secure funding for refugee resettlement programs in our community. Their work is essential in providing newly arrived families with housing assistance, job training, language support, and cultural integration services—helping them build stable, self-sufficient lives. Hanan has a proven track record of effectively assisting refugees, fostering inclusivity, and strengthening our community. With this funding, they can continue their vital services, ensuring that the individuals and families receive the support they need to thrive. I urge you to consider this request and provide the necessary resources to sustain their critical work. Investing in refugee resettlement is an investment in the future of our Milwaukee community. Thank you for your time and consideration.
