Good afternoon,

I am writing to object to the application for the business located at 5331 W Center Street. I am greatly concerned that the proposal, if it goes ahead, will have significant detrimental effects on businesses on Center Street and the local community. As a church leader with members who live in the surrounding area—this is a matter of concern which affects the church, businesses and other local residents.

(1) WASTE & LITTER - The applications should be rejected on the following grounds: I and my parishioners have witnessed people coming and going out of the store front purchasing snacks, blunt raps, food, etc., and leaving trash on the ground which finds its way on neighboring businesses property.

(2) Public Safety - The applications should be rejected on the following grounds: There is high traffic(people loitering on the corner)daily which continues to pose a risk to the safety of the public since there is a lot of traffic east and westbound on Center street. The loud noise of conversations and the smell of marijuana smoke fills the air and becomes intolerable. Often, our youth group has to close the doors because of the smell of marijuana smoke and the vulgar language that takes place outside of the store and neighboring barbershop. Some residents(members of the church) are intimidated to cross the street to enter their vehicles because of this.

### License Premise report

Holeman, Quinton R 027396

06/15/2020

This report is written by Police Officer Quinton Holeman assigned to District 3, Modified Early.

On June 15, 2020 at approximately 12:16 P.M. while in full Milwaukee Police Uniform wearing a fixed body worn camera and operating marked MPD Squad 578 was dispatched to a entry complaint located at 5331 W Center St. This is located in the city and county of Milwaukee, WI.

Upon arrival, I observed there to be broken glass on the ground by the outer exterior of the building 5331 W Center St. The outer exterior of the building faces Northbound towards W Center St. I entered through the front door of the business where I was greeted by the owner of the Super Options Convenience ASHA, Nader M (B/M 01/03/1982). ASHA informed me a unknown subject (s) intentionally and without consent entered his business and took valuable merchandise. ASHA stated that his business is open from 9 A.M. to 9 P.M. every day. ASHA stated he did not arrive to the store until 12:00 P.M. and left last night around 9:00 P.M. because he was attempting to get insurance on the business. ASHA stated he observed the upper interior window located on the northeast side of the store to be broken and the drinkable merchandise located underneath the window to be knocked over on the ground. ASHA stated he then continued to the register where he observed almost all of his cigarettes that were located on the shelf behind the register to be gone. ASHA stated he estimated the amount of cigarettes the unknown subject(s) took was estimated at \$1500 dollars. ASHA stated he also observed the small black digital scales that are located underneath the register to be also missing estimating in \$500 dollars. ASHA stated a Bluetooth speaker estimating in \$200 dollars was also missing from behind the cash register. ASHA stated the door to gain access to behind the cash register was locked but where the citizens pay for there merchandise was open. ASHA believes they jumped through the gap of where you pay for the merchandise to access behind the register.

ASHA stated he just bought this convenience store a month ago and this is the second time his store has been broken into. ASHA stated that he does have an alarm system but informed me the alarm system did not activate when the unknown subject (s) gain entry to the building. ASHA informed me that he did not have video surveillance of the incident and also does not have insurance on his business.

I processed the scene and took 21 photos but was unable to get any latent prints regarding this incident.

ASHA was issued a PV-17 and a community contact card.

End of Report.

W. Center St (Deaf Food Mart)

Upon arrival I spoke with Nader M. ASHA (m/u 01-03-82) who stated that he recently purchased the business and directed me to his current licenses. I observed that Mr. ASHA did not have a copy of his food license displayed. Mr. ASHA stated that he had not received the license yet from the city. I conducted a license check through the city data base and it was revealed that the food license application was applied for in April, 2020, but there was a hold from the City of Milwaukee Health Department's office. Mr. ASHA showed me an email from the City of Milwaukee Health Department, that stated that he had passed the requirements from the inspection. I informed Mr. ASHA that the city is a bit behind because some of the City of Milwaukee services were closed /restricted due to Covid-19, and it is mostly likely not showing up in the data base yet. Also that Mr. ASHA should make contact with the inspector from the email just to be on the safe side. Mr. ASHA stated that he will speak with the health inspector, regarding the hold.

No violations were observed.
