Subject: RE: Harbor Front Condominium - March 7 Zoning Change Hearing

I have told the plan commission that I have no objection to holding this file indefinitely. I am contemplating rescinding the file entirely and leave all zoning exactly as it is now.

Subject: Harbor Front Condominium - March 7 Zoning Change Hearing

Honorable Robert Bauman,

On behalf of the Harbor Front Condominium Association, we would like to request more time to review the proposed zoning change for the land generally bounded by the Milwaukee River to the South and West, North Harbor Drive to the East, and East Corcoran Avenue to the North in the 4th Aldermanic District. Therefore, we are requesting that the consideration for the zoning change at the March 7 public hearing be held for one cycle.

Best Regards,

Jim Heffernan
