CEASE AND DESIST

March 1, 2023

To Whom It May Concern:

On February 25, 2023 at approximately 11:53:30 p.m., a City of Milwaukee employee plowing snow made the decision to trespass onto our property located at 3527 - 3531 W. National Avenue in the City of Milwaukee by driving his plow over the sidewalk, onto our private parking lot and drive into the middle parking lot of our building and dump a full load of snow attempting to throw it into the middle parking lot of 3527 W. National Avenue.

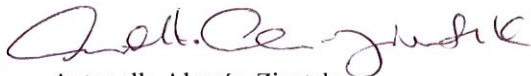

In his attempt to illegally dump snow on private property, your City employee dumped the snow and ice from his mechanical scooper directly on top of the fence dividing the two parking lots, causing the fence to cave and break due to the weight of the snow and ice.

We have video evidence of this action and are in the process of filing a claim against the City for the damages caused by these actions and trespass into private property.

With the upcoming storm that has been forecasted for the latter part of this week, the purpose of this letter is to direct the City to cease and to desist from entering our property located at 3527 - 3531 W. National Avenue in the City of Milwaukee, State of Wisconsin illegally and from illegally dumping snow onto our lots or any other unwanted substance or material.

If the City does not cease and desist, legal remedies will be taken against any further breach.
