Regarding: Your Recycling, Salvaging, or Towing Premises Application as agent for "All City Recovery Inc." for "All City Recovery" at 3700 W WELLS St. 

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

Notice for applicants with warrants or unpaid fines: Proof of warrant satisfaction or payment of fines must be submitted at the hearing on the above date and time. Failure to comply with this requirement may result in a delay of the granting/denial of your application.

Failure to appear at this meeting may result in the denial of your license. Individual applicants must appear only in person or by an attorney. Partnership applicants must appear by a partner listed on the application or by an attorney. If you wish to do so and at your own expense, you may be accompanied by an attorney of your choosing to represent you at this hearing.

PA-33E Narrative

This report is written by PO Lafayette EMMONS, District #3, Day Shift, Squad #3151. On Tuesday, April 7, 2015 at 9:03AM I was dispatched to a stolen vehicle complaint at 3700 W. Wells Street (Always Towing, storage lot).

Upon arrival I spoke to the officer manager, Eric J. GRABOWSKI (W/M, 11-04-79) who stated one of their late shift tow truck drivers (Keith GRADY) towed a stolen vehicle (2014 Ford, Escape, silver, Plate #332-VFW, VIN #1FMCU9G97EUB57160) from a private lot at 7035 W. Silver Spring Drive to their storage lot (3700 W. Wells Street) without obtaining a tow reference number from the City of Milwaukee's parking enforcement desk. GRABOWSKI stated it is their policy to check with the City of Milwaukee's parking enforcement desk prior to conducting a prior property tow.

According to Wisconsin State Statute private tow truck companies are suppose to check with the local authorities before towing any vehicle from private property. The purpose of this check is to advise local authorities of the location of the towed vehicle and to prevent stolen vehicles from being towed.

The above listed vehicle was recovered in the city and county of Milwaukee, Wisconsin and prior to towing the listed vehicle the Always Towing tow truck driver should have checked with the City of Milwaukee's parking enforcement desk and obtained a tow reference number. This check wasn't done prior to the tow. This check was done after the stolen vehicle was towed to the Always Towing's store lot (3700 W. Wells Street). After this check was done a representative of Always Towing discovered the listed vehicle was stolen and a call was placed to police by a parking checker for police to respond to Always Towing to recover the stolen.

I located and recovered the stolen vehicle parked on Always Towing's storage lot. I conducted follow up at District #3 regarding the towing violation listed above and discovered the same violation occurred in the following assignments:

REDACTED RECORD

From: Fowler, Natalie
Sent: Wednesday, January 06, 2016 10:42 AM
To: Schunk, Jason; Celella, Jessica
Subject: Formal Complaint against Always Towing

Good morning,

I would like to submit a complaint on behalf of
Towing located at 3700 W Wells St, 53208.

3 against Always

I stated that her vehicle was towed from the apartment's private lot. The lot does require a permit and a sticker to be visible in the dash. I called the tow company because she believed she was mistakenly towed. The tow company told her they would need to hear from the Real Estate Office, Jomela Properties, before discussing the matter further.

The real estate office did confirm to Always Towing that she was current on her payments for her permit and it was permissible for her to park there. Always Towing stated they wanted to check the vehicle themselves for the sticker in her dash. The company stated they saw none & therefore responded, " We are a private company and do what we want".

She believes she was wrongfully towed & the towing company removed the sticker from her vehicle when they discovered they made a mistake. She is unable to pick up her vehicle because she does not have the \$358.00 to get it released. This will lead to increased storage fees in the meantime & taking the bus to work.

With gratitude,
Natalie

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered.
