SUBJECT: 11TH ALD. DIST. - FILE #220515  
INSTALL YIELD SIGNS ON WEST WATERFORD AVENUE  
AT SOUTH 80TH STREET

Dear Alderman Borkowski:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the northwest corner of the intersection in the form of bushes that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the yield control.

We will prepare the necessary legislation for the next Public Safety and Health Committee meeting, so that you may support it to final passage.

Sincerely,

City Engineer
