To the Honorable Members of the  
Zoning, Neighborhoods and Development Committee  
City of Milwaukee  
City Hall, Room 205

Dear Committee Members:

Common Council File No. 171143, adopted November 28, 2017, directed the Department of City Development ("DCD") to develop an Anti-Displacement Plan for neighborhoods surrounding Downtown Milwaukee and submit that Plan to the Common Council prior to March 1, 2018.

Since the adoption of that resolution, DCD has worked to rapidly carry out the research, data analysis, and stakeholder interviews necessary to prepare the enclosed Anti-Displacement Plan. We are pleased to share this Plan for your review and consideration and look forward to presenting its findings and recommendations to the Zoning, Neighborhoods and Development Committee.

Sincerely,

Rocky Marcoux  
Commissioner
