

1. Describe the proposed ordinance or resolution.

To accept the State of WI Neighborhood Investment Fund grant for projects primarily related to increasing affordable housing.

2. Identify the anticipated equity impacts, if any, of this proposal.

The project will positively impact equity because projects target high-need Census tracts, supplying much-needed affordable housing and other key services such as access to a library, early childhood education, and crime prevention services via a community-based organization.

3. Identify which minority groups, if any, may be negatively or positively impacted by the proposal.

People of color in Milwaukee will be positively impacted by the projects.

4. Describe any engagement efforts with minority communities potentially impacted by the proposal.

The City of Milwaukee's engagement with minority communities has repeatedly underscored the extreme need for increased access to affordable housing.

5. Describe how any anticipated equity impacts of the proposal will be documented or evaluated.

Impacted departments and programs track evaluation plans on projects. The impact of the projects will be documented through qualitative feedback and monitoring of any changes in the makeup of participants/tenants.

6. Describe strategies that will be used, if any, to mitigate any anticipated equity impacts.

Not applicable.
