To the Public Works Committee

Subject: Common Council File No. 060974
2007 Capital Improvements Program
Infrastructure Services Division
Federal/State Aid Project
West Edgerton Avenue from
South 13th Street to South 20th Street

Dear Honorable Members:

The 2007 Capital Improvement Program includes the improvement of West Edgerton Avenue from South 13th Street to South 20th Street under the Surface Transportation Program. The Federal Program provides cost participation for the improvement of traffic control devices in conjunction with the highway paving.

The total estimated cost of the project is \$15,285.08. Eighty percent of the total cost, or \$12,228.06, will be funded by the Wisconsin Department of Transportation (WISDOT). The local share, or \$3,057.02, will be provided through the Division's existing Capital Improvement Program.

We have, therefore, prepared the attached substitute resolution, which authorizes the Commissioner of Public Works to execute a Local Force Account (LFA) – Local contract with WISDOT that allows City forces to install and/or modify traffic control facilities in conjunction with the improvement of West Edgerton Avenue from South 20th Street to South 13th Street in the 13th Aldermanic District.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
