Work experience:

Employed from October 1990-Jan. 2026 with the City of Milwaukee City Clerk's Office in a variety of positions. I was a librarian for 7 years, worked as a researcher for 5 years, a staff assistant (staffed meetings) for 21 years and an Administrative Services Coordinator (staff support position) for 2 years. In those positions, I served both the public and Common Council members by responding to questions, providing research and ensuring meetings ran smoothly and all needed documents were in files. I also staffed numerous task forces through the years.

Employed from Nov. 1987 to July 1990 as a librarian at the Sinai Samaritan Medical Center Library. Provided library services to residents, doctors and staff.

Volunteer experience:

Chief Election Inspector since September 2008. In this position, I oversee the election process at my polling site, ensure adequate staffing and lunch/dinner coverage and handle all issues as they arise throughout the day.

Wisconsin Humane Society - Volunteer since December 2006. I am currently a foster parent, provide foster support services (use the computer system to set up foster contracts and pull needed supplies for the foster animal), host children's birthday parties for children ages 6-12, and have dog walked in the past and been a wildlife volunteer.

Milwaukee Area Domestic Animal Control – Volunteer at MADACC (a shelter for stray animals) since 2014. In those years, I have cleaned cat kennels, done cat adoptions for a number of years, been an office assistant, and take photos of adoptable cats for The Cats' Voice web page.

Kinship Community Food Center – Volunteer since Feb. 2022, primarily stocking the non-perishables on Friday mornings once a month.

Marcus Performing Arts Center – Volunteer usher since October 2022. Direct/escort guests to their seats, be a friendly face to maximize the customer experience.
