Dear Property Owner:

Unfortunately, on July 8, 2025 the property at 2463 W VLIET ST was reported to the Milwaukee Anti-Graffiti Hotline indicating the presence of graffiti. We have not verified this information, but would appreciate if you would check your property for any graffiti. The city of Milwaukee realizes graffiti is an act of vandalism that not only costs taxpayers, but reduces property values and can create an open invitation for more littering, loitering and other acts of vandalism.

The control of graffiti in the City is dependent upon the cooperation of property owners to remove graffiti from their property. If you are a victim of graffiti it is important that you remove it as soon as possible. The Department of Neighborhood Services follows-up on these notices with an inspection to ensure that the graffiti is removed. For non-compliant properties an order to correct the graffiti may be issued. An inspector will check this property for graffiti after 3 days of service of this notice. Regrettably, the City is unable to provide free removal services, except for certain qualifiers. However, our program does support residents and businesses with appropriate tools and resources.

Graffiti vandalism is a misdemeanor crime and in many instances, a felony. Criminals may be ordered to pay restitution, do community service, and/or receive jail time. As the owner of the property, we encourage you to contact the Milwaukee Police Department at 414 933-4444, regarding any graffiti found on your property. Your report may be used in determining how to deploy resources in the future.

Through the vigilant efforts of citizens, the City of Milwaukee will continue to fight graffiti vandalism by sending a message to the vandals that their crime will not be tolerated in our neighborhoods. We thank you in advance for your continued cooperation and support in eradicating the graffiti blight. The enclosed brochure contains further information on graffiti removal and prevention.
