CAPTAIN

Dear Sir, in reply to the letter
I received about the nuisance
on the building at 333 E. Hadley St,
we have posted no trespassing signs
no loitering, and I've order a sign
for no one under the age of (25), which
will be posted on front door, and will
be enforced.

The Clean up man will be picking
up any litter on the whole block from
Center St. to Locust St. I've been talking
with the neighbors and they all seem to
be pleased at this. I've also told the
D. J. to turn the music down another
notch, and to stop playing Rap music ~~the~~
maybe once or twice a night, I will also
be around on Thursdays & Sundays
maybe some Fridays & Saturday until
everything is normal again. Mr. Green
wrote a letter to the neighbors and they
also liked his idea. I'm asking to please
give us a chance to make this work, I
will also attend & bring Mr. Green to
the meeting you have.

I'm 71 years old, my health is not as it used to be, so that's why I have to try + sell the building I hope and pray this will satisfy everyone all the neighbors said they will work with us to see. I need to keep my license, so that I have some type of income. We will be closing the bar before closing time in order to prevent problems, I will be around more than I used to be there

My phone no is posted on top of the cash registers. I will monitor every thing I've said in this letter very closely. I've also talked to Mike Cogg the Alderperson. If the police comes by and there's loitering outside they have my permission to move or take them, the security will work from inside, not outside the door.

I'm willing to any meetings at any time if notified

Sincerely
Mrs. Eleanora Peaney
