Dear Chief Flynn:

The Milwaukee Brewers have received your November 24, 2008 correspondence, in which you express the Milwaukee Police Department's desire to exercise the 2009 extension option contingent upon mutual consent to increase the hourly rate cap under Section 5(b) (Police Officers) from \$45.22 to \$45.97.

The Brewers approve of the modification to Section 5(b). Enclosed is a signed and dated copy of your November 24, 2008 correspondence. I look forward to our continued relationship through the 2009 season.

Very truly yours,

Rick Schlesinger
