Attached are 1. draft ordinance resolution, 2. draft submittal letter,
and 3.
fiscal note. Please review and provide any comments.

Schedule looks like introduction to Council on 12/21, public safety? on
1/20 (I
don't have anything showing any committee meetings between the council
meeting
of 12/21 and the council meeting of 1/11). This means the resolution
would not
be passed until 2/1. When I talked to you yesterday, I assumed there
would be a
Public Safety meeting between 12/21 and 1/11.

There is still some doubt about when the Federal Rule will take effect.

Also,
the feds must update the crossing inventory, and we need to send
registered
letters after that to interested parties, 21 days in advance of the
quiet zone
being in effect.

Any questions or comments, call me at x3223.
