Subject: Petition for 4-way stop at 77th and Townsend

Good Afternoon to all! Alderman Bohl is in receipt of a petition(signed by nearly 100% of adjoining residents) requesting the placement of a 4-way stop at the intersection of 77th and Townsend. Please introduce the appropriate legislation for upcoming Public Safety and Common Council meetings. A copy of the petition has been provided to the Council Records staff. We understand that the installation of signage may take up to six weeks and we would encourage an expeditious resolve to this matter.

Thank you

Todd,

We do not have a traffic study on record for this intersection, so we will conduct one. Once finished we will have the stop control legislated.
