Do not want the alley
paved, would like to see the
alley graded down & outlet on
north end. I also would like
Richards Street repaved

I do not want alley paved.
I would like to see alley
graded down and outlet on
the north end. I would like
to see the money spend fixing
Richards streets.

4/5/10 T.D. Whom it may Concern
I'm Fine with Just the
way the alley runs through
both ways and with the gravel
structure of it. And over
the past 10 yrs I've been doing
most of the plowing.

I DO NOT WANT THE ALLEY PAVED
I AM HAPPY TO KEEP IT AS IS

RICHARDS ST. O'BRIEN PLUMBING

WE HAVE BEEN HERE FOR 14 YEARS
AND THE ALLEY AS IS HAS WORKED
JUST FINE FOR US. AS LONG AS WE
KEEP THE NORTH END OPEN SO
TRAFFIC CAN COME THROUGH. IF THE
NORTH END IS CLOSED OFF WE WILL
NOT BE ABLE TO GET TRUCKS INTO DELIVER
OUR SHEET GOODS TO OUR LOADING DOCK.

Our business has been located here for
over 40 years. We can probably manage for
another 40 years without a paved alley. I
have asked for work to be done to help with
the pot holes and all of the standing water
behind our building on numerous occasions
over the years. Nothing was ever done. In
fact, I have personally paid for gravel
to be dumped and graded. I am still
waiting for reimbursement. I vote no if
there is going to be an assessment. If not,
then go ahead and pave.

To whom it may concern
address 4171 N. Richards. We
are against the fence and
the dead ending of alley
behind our property.
