Regarding: Your Food Dealer and Food Peddler Licenses Application as agent for "Oz D  LLC" for "Oz Doggz" at 3135 S 92nd St.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

**Notice for applicants with
warrants or unpaid fines:**

Proof of warrant satisfaction or payment of fines must be submitted at the hearing on the above date and time. Failure to comply with this requirement may result in a delay of the granting/denial of your application.

He

We would like to put in an objection for Oscar Beaklund of Oz Doggz, LLC. who used to operate out of 8412 W Morgan Ave. previously Cinco de Mayo.

We issued a citation to Oscar yesterday for operating his hot dog cart without a license at this usual spot on 16/Wells. He has been issued several orders to cease for various issues since opening in 2023, yet more specifically in 2024, he has been operating without a license.

He has a current application in to use the base kitchen, Mo's Chicken Shack, at 3135 S 92nd St and has listed this Oz Doggz, LLC on the application. We checked DFI and his Oz Doggz, LLC has been administratively dissolved. Can you please verify he has an active LLC?

Our process server will be serving at his home residence that we gave us yesterday which is the same as his application.

Let me know if you have questions,
Thanks!
