You don't often get email from thollandmil@gmail.com. [Learn why this is important](#)

Mayor Cavalier Johnson,

I am a resident in your district and I am sending you an email today to show my support for the proposed FPC Live venues in Deer District, next to Fiserv Forum. In order for Milwaukee to grow and prosper for decades to come, we must welcome new developments and businesses rather than be

left behind while other Midwest cities build similar venues with modern amenities for both artists and fans alike. I encourage you to vote in support of these venues. Thank you.

As a long time resident and concert goer in Milwaukee, I'm very excited to see this get built. It will be great to have more venue options.

Sincerely,

Ted Holland
