Dear Planning Commission Members and Staff,

Milwaukee WI 53216

Please accept this statement as formal registration of my intent to provide public testimony at the upcoming Planning Commission meeting on Monday, May 18th at 1:30 p.m.

I wish to speak directly during the public comment portion of the meeting regarding the proposed data center zoning changes. As a local community member, I want to share my perspective, concerns, and official testimony on how this zoning decision will impact our neighborhood's infrastructure, environment, and overall quality of life.

Thank you for ensuring my remarks are included in the official record for this item.

Please be advised,

Nathan Coe  
Urban Planner
