The Riverwest Neighborhood Association believes that we are highly impacted by the division of our neighborhood into two Aldermanic Districts - the 3rd and the 6th districts. RNA believes it is in the best interest of residents to be united into one Aldermanic District.

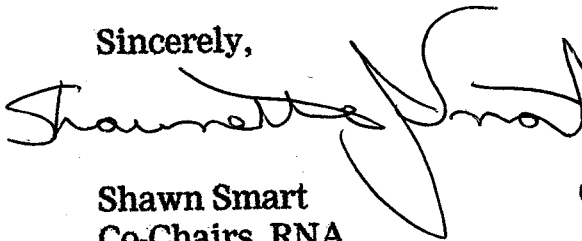

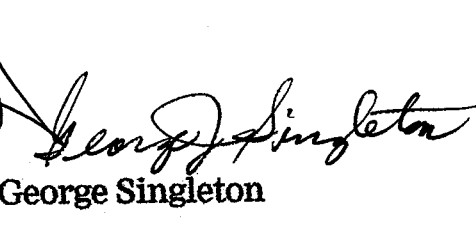

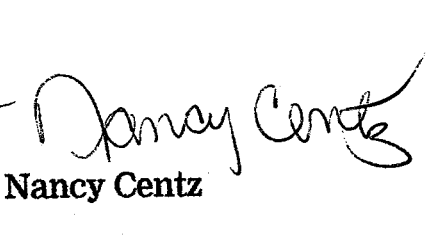

RNA has solicited input from residents. Following are reasons residents gave to support a unified neighborhood contained within one Aldermanic district:

- One person to go to for services.
- Simplified communication between residents and the Alderperson, and between the Alderperson and city departments.
- Fewer difficulties accomplishing neighborhood goals - difficulties arise when Alderpersons do not agree or have fundamental differences of opinion on matters that are important to Riverwest residents.

Enclosed are petitions from residents in the Riverwest portions of Districts 3 and 6 who support unification of our neighborhood. We define our boundaries as Holton St. east to the Milwaukee River and Capitol Drive south to the river.

We thank you for your time and consideration of this most important matter that will affect the future of our neighborhood for the next ten years. We ask that you honor our request to be united into one Aldermanic district.

Sincerely,

Shawn Smart  
Co-Chairs, RNA

George Singleton
