Mr. Owczarski lead an interactive discussion relative to an article by the Wisconsin Policy Forum - Wrong Way: Black Auto Death Up in Wisconsin. This article stated that "recent years brought a sharp increase in deaths of black Wisconsinites and all black Americans. Many of these fatalities occurred in Milwaukee, which saw a sharp increase in speeding-related fatalities. Local officials have raised concerns about a reckless driving epidemic; several other factors are also worth considering."

For future meetings Youth Council asked that a representative from the following departments and or agencies make an appearance to discuss some of the youth council priorities; Office of Violence Prevention, Federal Court judge, a lawyer who works with youth incarceration matters, and the Wisconsin Policy Forum.
