Honorable Jonathan Brostoff
Alderman, 3rd Aldermanic District
Room 205, City Hall

**SUBJECT: 3RD ALD. DIST. - FILE #230586
INSTALL ALL-WAY STOP ON EAST LAFAYETTE PLACE AND
EAST LAFAYETTE HILL ROAD**

Dear Alderman Brostoff:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control. Our traffic engineering staff has investigated this request and found the need to change the current northeast bound stop control on East Lafayette Hill Road at East Lafayette Place to an all-way stop control based on an increase in crashes taking place at the intersection and to improve the traffic operational characteristics of the intersection.

We will prepare the necessary legislation for the next Public Safety and Health Committee meeting, so that you may support it to final passage.

Sincerely,

Kevin J. Muhs, PE, AICP
City Engineer
