Subject: Dover Street Protest Petition.

Dear Jim:

I have examined the form of signatures and notarizations appended to the protest petition referenced above. In my opinion, they satisfy the requirements of Wis. Stat. sec. 62.23(7)(d)2m.a. and sec. 295-307-5 MCO. I would request that DCD carefully review the signatures for determination as to whether the applicable 20% requirement has been satisfied with respect to the particular land area referenced in the text of the petition, i.e. "20% or more of the land area of land immediately adjacent to and extending 100 feet from the property...that is located at 619 E. Dover Street..."

Stuart S. Mukamal.
