

My name is Emma Nash. I reside at 2005 W. Jurena in Melmenec, WI. I am 49 years of age. I recall in the early morning hours in September a vehicle knocking down the stop sign at the SW corner for eastbound traffic on Jurena. The sign was still missing approx one week later when another accident occurred. I did not leave my house for either accident. The stop sign was finally replaced in the middle of October. I have read this statement of 11 lines and it is true.
