Subject: Walker's Point NID

I am writing to support the proposed Walker's Point NID. Unfortunately, I will be unable to attend the meeting on Oct 17th.

My wife, Rebekah, and I have been a residents of Walker's Point for 15 years and own 813 S. 3rd Street. We have a 2 year old daughter named Iris.

I view the NID as an opportunity for residents to have a voice in a comprehensive vision for the neighborhood and look forward to working with all members of our community. In the 15 years I have lived here this is the first time someone has taken the time and made the effort to develop a platform for making concerted coordinated efforts to improve the neighborhood. I thank Ann and Ursula for their efforts. Without this platform I am concerned that the status quo will continue which is unacceptable. It is time for residents and businesses to take some ownership in the way our neighborhood is developing and I believe this NID can be a starting point for improving our neighborhood.

Thank you,

Brian Kopec-Farrell
