To the Honorable Members of the
Public Works Committee
City of Milwaukee
City Hall, Room 205

Dear Committee Members:

File No. 161615 dedicates a portion of City-owned property as public right-of-way for street purposes, approves a Land Disposition Report and surplus declaration for the conveyance of a portion of City-owned property to Milwaukee County and accepts an easement from Milwaukee County for the Lakefront Gateway project, in the 4th Aldermanic District.

This file authorizes the City of Milwaukee to execute the necessary documents to dedicate land for public right-of-way, convey property to Milwaukee County according to the conditions in a Land Disposition Report and accept an easement from Milwaukee County to finalize a Certified Survey Map that is necessary for the Lakefront Gateway project.

Since the proposed file dedicates land for necessary public right of way purposes, the City Plan Commission at its regular meeting on March 13, 2017 recommended approval of the subject file.

Sincerely,

Rocky Marcoux
Executive Secretary
City Plan Commission of Milwaukee
