City of Milwaukee Leaders,

All of us at Alter Trading/Miller Compressing Company are looking forward to having Cristo Rey Jesuit High School as a new neighbor at the former Pick 'N Save site at 18th and National Ave. The transformation of this abandoned site will greatly enhance the neighborhood. Furthermore, the educational model that Cristo Rey utilizes will benefit the greater Milwaukee community as a whole.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jon Spigel", with a long horizontal flourish extending to the right.

Jon Spigel VP Operations Alter Trading/Miller Compressing Company
