Dear City of Milwaukee attorney -
ie MR. Grant Langley -

Sir, I draw your attention
to a certified letter sent privately
today to Ms Kathleen Houston, the
City Librarian and Ms Zenike
Head of Personnel there
regarding the above incident. I
will see the Clerk for the City
of Milwaukee today regarding
asking 1000 million dollars
for this incident.

You see this abuse of
me is cumulative and
it seems the only thing
that MAY stop it is large
financial pay outs in
damages.

Sincerely,
Mary Riegel Fertel-Rust
