

October 30, 2006

To the Honorable Common Council  
Public Works Committee  
City of Milwaukee

Dear Committee Members:

File No. 050938 is a file to vacate a portion of the West Side of North Humboldt Boulevard located South of East Chambers Street, in the 3rd Aldermanic District. This vacation was requested by the Redevelopment Authority of the City of Milwaukee to eliminate existing and possible building encroachments to support the Alterra Post building.

The Department of Public Works Coordinated Report contains no stated objections to the proposed vacation. At the request of the Commissioner of Public Works, the petitioner provided:

Benefit Assessments	\$64.00
---------------------	---------

Since this time, the legal description of the portion of right-of-way to be vacated changed. With the increase in the vacation limits, the benefit assessment will also increase. The figure is being recalculated based upon the new frontage. The deposit will be made before the November 14<sup>th</sup> Common Council meeting. Since the proposed vacation is not in conflict with City plans, the City Plan Commission at its regular meeting on October 30, 2006, recommended approval of the subject file conditioned on receipt of the deposit.

Sincerely,

Rocky Marcoux  
Executive Secretary  
City Plan Commission of Milwaukee
