

City Flag redesign contest

The contest is open to any resident or student in the state of Wisconsin.

Entries will be accepted from individuals or groups.
One entry per individual or group.

All entries become the property of the Arts Board and can not be returned.

Entries may be submitted in any form including cloth, paper, digitally, or any other medium.

Size of the entry should be a minimum of 9" wide and be in the same proportions as the US Flag. Larger sizes are acceptable but proportions should remain consistent with that of the US Flag.

Judges will be looking for a design that will have a long shelf life, so the design should avoid elements that are transient in nature. (e.g. County Stadium, featured on the current flag, was torn down after less than 50 years)

The judges will consider practicality of reproducing the design as a flag.

Entries may be submitted in any one of the following categories:

Grades K – 5 (individual or class)

Grades 6 - 8 (individual or class)

Grades 9 -12 (individual or class)

College student

Professional designer or artist

General (individual, group or club)

Awards will be made in each of these categories. But the 5 final submissions presented to the Common Council may be from any one or all categories.

All entries must be received no later than 3pm on October 31, 2001, at the offices of the Department of City Development, marketing section, 809 N. Broadway, Milwaukee, WI 53202. Electronic entries should be sent in the following format (TBD) to (TBD).
