Dear Committee Members:

Thank you for your consideration of the Northeast Side Comprehensive Area Plan (File No. 071407) at the July 21, 2009 meeting of the Common Council's Zoning, Neighborhoods and Development Committee.

Based on comments from Alderwoman Coggs, we have revised the Plan to include:

1. Edits for clarity and accuracy of text
2. Updates to recent land transfers and development proposals in the Bronzeville area
3. Miscellaneous corrections to spelling, titles and names
4. Miscellaneous changes to photos and other graphics to better reflect development proposals
5. Other updates to reflect recent changes in development within the larger Harambee area.

Based on a meeting with Alderman Kovac and Alderwoman Coggs, we have updated the Plan to include some of the more recent options for satellite facilities currently being considered by the University of Wisconsin-Milwaukee.

Sincerely,

Vanessa Koster
