To The Honorable, the Common Council

Subject: 2008 Capital Improvements Program  
West Greenfield Avenue from  
South 1st Street to South Cesar Chavez Drive

Dear Council Members:

The 2008 Capital Improvement Program includes the improvement of West Greenfield Avenue from South 1st Street to South Cesar Chavez Drive under the Surface Transportation Program. The Federal Program provides cost participation for the improvement of traffic control devices in conjunction with the highway paving.

The total estimated cost of the project is \$146,919.61. Eighty percent of the total cost, or \$117,535.69, will be funded by the Wisconsin Department of Transportation (WISDOT). The local share, or \$29,383.92, will be provided through the Division's existing Capital Improvement Program.

We have, therefore, prepared the attached resolution, which authorizes the Commissioner of Public Works to execute a Local Force Account (LFA) – Local contract with WISDOT that allows City forces to install and/or modify traffic control facilities in conjunction with the improvement of West Greenfield Avenue from South Cesar Chavez Drive to South 1st Street in the 12<sup>th</sup> Aldermanic District.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Jeffrey J. Mantes  
Commissioner of Public Works
