

Subchapter 1:

1. Definitions generally combined into one section. Definitions specific to subchapters were kept in that subchapter.
2. Definition of “at a disadvantage with respect to business location” revised to improve clarity/readability. No substantive changes.
3. Definition of “at a disadvantage with respect to employment” split into two sentences to improve clarity/readability. No substantive changes.
4. Definition of “at a social disadvantage” split into paragraphs a to d to improve clarity/readability. No substantive changes.
5. Definition of “direct financial assistance” changed: \$1,000,000 threshold reduced to \$500,000, for discussion purposes. Additional changes may be needed, per Comptroller audit. Additional WORC input warranted.
6. Definition of “local business enterprise”: removed redundant provision in par. b. Substantively unchanged.
7. Definition of “unemployed or underemployed” revised to remove the 5 year limitation.
8. Added definition of workforce development.
9. No changes were made to other definitions.
10. Office of Small Business Development changed to Office of Workforce Development (OWD).
11. Duties of the OWD: expanded to include all workforce development programs (not just SBE). Duties largely taken from current s. 370-3.
12. RPP report requirements: Unchanged.
13. SBE & LBE report requirements: language borrowed from 370-5-4 and 365-7-2, respectively. Additional WORC input warranted.
14. Duties of contracting agencies: code provisions from various chapters consolidated. Substantively unchanged.
15. Performance assurance procedures: Removed redundant language. No substantive changes.

16. Sanctions and penalties: consolidated provisions relating to sanctions and penalties into one section. No substantive changes.

Subchapter 2:

1. Redundant definitions moved to subchapter 1. Remaining definitions unchanged.
2. Goals (city contracts): unchanged from current 309-41-2.
3. Administration: Edited for clarity/readability. No substantive changes.
4. Goals (development agreements): unchanged from 355-7-1.
5. Administration: added “monitoring”. Various code provisions (s. 355-5 and s. 355-7-2) combined into one chronological section.
6. Exceptions: New provisions added for discussion purposes. Additional WORC input warranted.

Subchapter 3:

1. Creation; Purpose: Unchanged.
2. Goals: Unchanged. Combined from s. 370-5-1 and s. 370-27.
3. Certification requirements: Substantively unchanged. Draft s. 370-35-2 taken from current s. 355-13-4-c.
4. Joint ventures: unchanged from current s. 370-5-3.

Subchapter 4:

1. Creation; Purpose: unchanged.
2. Application: unchanged.
3. Administration: Various code provisions reorganized for clarity/readability. Substantively unchanged.
4. Obligations of contracting departments: Par. a - Moved language relating to \$25,000 threshold from s. 365-7-1-e. Added par. e for discussion purposes.
5. Duties of contracting agency: Language in par. c simplified. Substantively unchanged.

Subchapter 5: Unchanged from current code provisions (apprenticeship and on-the-job trainee requirement, first-source employment utilization, and other requirements).
