Honorable Cavalier Johnson
Alderman, 2nd Aldermanic District
Room 205, City Hall

SUBJECT: 2ND ALD. DIST. - FILE #200960
INSTALL YIELD SIGN ON WEST BECKETT AVENUE AT
NORTH 73RD STREET

Dear Alderman Johnson:

Due to the geometric configuration of the intersection of West Beckett Avenue and North 73rd Street and how east bound and south bound vehicles merge together in the intersection we recommend the installation of an east bound yield control on West Beckett Avenue at North 73rd Street to dictate who has the right-of-way in the intersection.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Samir Amin, P.E.
City Engineer

Honorable Nikiya Dodd
Aldерwoman, 5th Aldermanic District
Room 205, City Hall

SUBJECT: 5TH ALD. DIST. - FILE #200960
INSTALL YIELD SIGNS ON NORTH 77TH COURT/STREET
AT WEST COURTLAND AVENUE

Dear Alderwoman Dodd:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the northwest corner of the intersection in the form of a bush that would warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the yield control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Samir Amin, P.E.
City Engineer

Honorable Michael J. Murphy
Alderman, 10th Aldermanic District
Room 205, City Hall

SUBJECT: 10TH ALD. DIST. - FILE #200960
INSTALL NO TRUCKING 3 TONS OR OVER ON
WEST ADLER STREET AT SOUTH 92ND STREET WEST BOUND,
AND ON SOUTH 94TH PLACE AT WEST ADLER STREET
SOUTHBOUND

Dear Alderman Murphy:

This is in response to your request on behalf of a local resident to install the above-captioned traffic restrictions.

Our Traffic Engineering staff has investigated this request and found that trucks are using West Adler Street and South 94th Place as a short cut to access the other businesses in the area, therefore we recommend that heavy trucks be prohibited.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting so that you may support it to final passage.

Sincerely,

Samir Amin, P.E.
City Engineer
