Ms. Claypool gave an update. \$50,000 in Retail Investment Fund grant was awarded to Pepper Pot on MLK at their new location 2215 N. Dr. Martin Luther King Drive. They

will have 10 full time jobs for residents. \$2,500 Signage grant was approved for Fein Brothers at 2023 N. Dr. Martin Luther King Drive. Their new sign would be similar to their old one at their old building, but not as large. An application for a White Box grant at 501 W. North Ave. for a coffee shop did not pass internal review.

Members inquired about Pepper Pot's original location that was awarded to them in Bronzeville.

Mr. Haessly said that the previous location was at 2543 N. Dr. Martin Luther King Drive, was damaged further due to an adjacent fire, Pepper Pot found the building to be no longer feasible, and they found a better location with a parking lot available.

Member Agee added that new location cut down costs for Pepper Pot with the building having no residential units (the original location did) and having just a restaurant.

5. 1937 N. Martin L. King Jr. Dr. RFP proposals overview, presentations, review, and recommendations.

Ms. Turim commented. There were 13 applicants. 6 finalists were before the committee with each having differences in aspects such as contingency, investment, and parking. Each presenter would present separately and individually under closed session. The committee should make a recommendation or provide the top finalists.

The roll was called to have the Bronzeville Advisory Committee convene into closed session, pursuant to s. 19.85(1)(e) for the purpose of deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session.
