Dear Council Members:

Hupy & Abraham, S.C. alleges that on September 1, 2018 their client sustained injuries when the tire of his motorcycle became caught in the streetcar tracks while he was traveling westbound on East Clybourn Street at/near North Van Buren Street. Claimed damages total \$50,000.00.

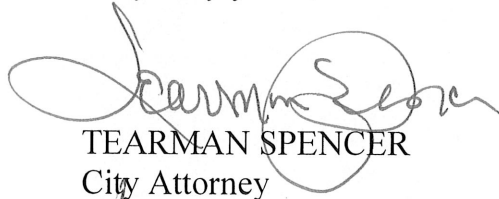

The Infrastructure Services Division indicates that the streetcar tracks at East Clybourn Street and North Van Buren Street were constructed in accordance with the standard specifications, plans, and accepted standards for streetcar infrastructure. This project was constructed and completed under a City of Milwaukee contract. The work was performed by Kiewit Infrastructure Company.

of the City of Milwaukee
